**RE: California Uniform Construction Cost Accounting Commission 2009 Annual Report to the California State Legislature**

Gentlemen:

The activities and operations of the California Uniform Public Construction Cost Accounting Commission (Commission) for 2009 are listed below:

- The Commission met on February 4th and February 18th, 2009. The meetings were chaired by Gene Cortright, representing cities.
- The Commission completed three account reviews. In each instance, the participating agency was found to have violated the force account limit.
- Participants who have adopted the Uniform Public Construction Cost Accounting Act (Act) increased 4%, from 661 to 686 agencies.
- Donation letters from various commissioners to their respective constituencies were approved.
- The Commission voted to authorize Commissioners Bernacchi and Hansen to develop enabling legislation to give the Commission authority to impose an administrative fee.
- The Commission reviewed amendments to the non-legislative policies in the Act's manual to make compliance easier to both understand and implement for members.
- By- laws were submitted for the commissions and legal review.
- Correspondence complying with AB 1047 was sent, shared with members, and posted on the website for the CUCCAC.

Respectively submitted,

Guiselle Carreon, Chair  
California Uniform Construction Cost Accounting Commission
