### Announcing On-Line Estates of Deceased Persons Data Update: Thursday, May 21, 2015

The Unclaimed Property Division (UPD) is pleased to announce an update for the Estates of Deceased Persons Data. This updated file will be available for download on Thursday, May 21, 2015. The Estates of Deceased Persons file contains estates of deceased persons remitted to the State of California pursuant to Probate Code and CCP section 1300 et seq. The Estates of Deceased Persons File displays these properties indexed by the following four categories: The State of California's Property ID Number, decedent's name, reported heir(s) and the property's available balance.

To access the file go to [http://www.sco.ca.gov/upd\\_msg.html](http://www.sco.ca.gov/upd_msg.html). Locate the box shown below located on the left side of the page.
